The Return of The Wine Window In Italy

By **Donnie**
Aug 13, 2020

We are living a new normal, and what was old is new and normal again. The return of the Wine Window in parts of Italy has brought a charming tradition back to Florence. Once a standard practice and way of getting a glass of wine in the 1500's, this charming practice has seen a resurgence since the pandemic. CNN has the story [HERE](#), Cheers!
